Gaudenzia's confidential 24/7 service provides easy access to help for individuals with substance use disorders and those assisting them in their recovery process.

Talk to a skilled agent to get quick access to screening, individual care, referral scheduling and transportation assistance to inpatient programs.

Gaudenzia provides a confidential referral helpline that reduces barriers to proper care, while assuring specific attention to individualized recovery needs. For additional information, call this number or email us at Hotline@gaudenzia.org.
