## Red Cross Blood Drive Volunteers Save Lives!

Blood drives with volunteers are more successful, run smoother, and collect more blood. This means more birthday parties, more anniversaries, more graduations, and all those celebrations and happy moments in people's lives... *because of you!*

### BLOOD DONOR AMBASSADOR

- Greet and thank potential donors
- Take donor temperatures, observing all established safety protocols
- Manage blood drive entrance, registration desk, and reception area ensuring donors are wearing masks and social distancing
- Assist each donor with initial intake
- Stock and clean hospitality and snack area
- Alert professional staff immediately if a donor shows signs of feeling unwell
- Exhibit professionalism and good Red Cross customer service skills, including respect, compassion, communication, collaboration, and competence
- Gain strong sense of purpose (min. age 16 with parental consent)
- **HELP SAVE LIVES!!**

### BLOOD TRANSPORTATION SPECIALIST (DRIVER)

- Transport blood and related products from area blood drives to Philadelphia-based lab and/or from Philadelphia lab to area hospitals
- Use a Red Cross branded vehicle or your own vehicle (reimbursement available)
- Requires 3+ years clean driving record, proof of insurance, and ability to lift up to 45 pounds
- **DELIVER THE GIFT OF LIFE!!**

**Commitment:** 1-2 shifts per month *based on your schedule and availability* (about 4-5 hours per shift.) Free training provided (including CPR/AED/First Aid) along with masks, gloves, and sanitizer.

**Locations:** Varies throughout Southeastern Pennsylvania (mobile drives) and/or fixed donation sites in Center City Philadelphia, Northeast Philadelphia, Willow Grove (Montgomery County) or West Chester (Chester County).
