Preamble

The Phoenixville Public Library, established in 1896 by the directors of the Phoenixville Area School District (the "Board of School Directors") as the Public Library of the Phoenixville School District, provides free library and information services as it fulfills its role as a member of the Chester County Library System, serving the Phoenixville Area School District and Charlestown Township.

ARTICLE I. NAME

The name of this organization shall be the Phoenixville Public Library.

ARTICLE II. MISSION

The mission of the Phoenixville Public Library is to provide access to information and services that address the educational, cultural and recreational needs of the community the Library serves.

ARTICLE III. BOARD

Section 1. The Board of Trustees of the Phoenixville Public Library (the "Library Trustees") shall consist of nine members, including the President of the Board of School Directors or a designee of the President, and the Superintendent of Schools. The remaining seven Library Trustees shall, to the extent possible, include at least one member from each of the townships served by the Phoenixville Area School District and the Borough of Phoenixville itself.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

Section 2. The seven Library Trustees other than the President of the Board of School Directors (or the President's designee) and the School Superintendent shall be elected by the Board of School Directors.

Section 3. Expiration dates of the terms of each of the seven Library Trustees other than the President of the Board of School Directors (or the President's designee) and the School Superintendent shall be staggered. Annually, two members shall be elected by the Board of School Directors for the term of three years. Each elected Library Trustee shall serve until his or her successor is duly qualified and elected, and, in the case of vacancy, shall serve for the remainder of any unexpired term.

Section 4. The Library Trustees may set in motion due process for removal of an elected Library Trustee who fails to perform the duties required of a Library Trustee, which removal shall be subject to confirmation by the Board of School Directors.

ARTICLE IV. OFFICERS

Section 1. The officers of this organization shall be a president, a vice president, a recording secretary, and a treasurer.

Section 2. The president, vice president, recording secretary, and treasurer shall be elected to serve for one year or until their successors are elected, and their terms of office shall begin at the close of the July meeting at which they were elected.

ARTICLE V. DUTIES OF THE BOARD

The duties of the Library Trustees shall be: to secure adequate funding for the library, to hire the Executive Director, to evaluate the performance of the Executive Director on a yearly basis, to determine library policy, to approve the budget and the monthly financial statements and the annual independent audit, to attend meetings of the Library Trustees regularly, to work actively for the improvement of all libraries -- supporting library legislation locally, statewide and nationally -- and to become familiar with what constitutes good service.

ARTICLE VI. MEETINGS

Section 1. The regular meetings of the Library Trustees shall be held on the second Monday of each month, year round, unless otherwise ordered by the president. There shall be notification of at least one week for change in date of meeting.

Section 2. Special meetings can be called by the president, the purpose of the meeting to be stated in the call. Except in cases of emergency, at least three days' notice shall be given.

Section 3. Meetings of the Library Trustees shall take place at a meeting open to the public unless closed for a purpose or purposes consistent with the Pennsylvania Sunshine Act, as may be amended from time to time. If closed by the Library Trustees for purposes of executive session, only Library Trustees and individuals invited by the Library Trustees may be present. Library Trustees may discuss the business conducted in an executive session only with other Library Trustees or with persons present in the executive session by invitation of the Library Trustees. Library Trustees shall not discuss the business conducted in an executive session with others except with the consent of a majority of the Library Trustees. The Library Trustees may choose to seek the advice of legal counsel when considering granting said consent. The regular Library Trustees meeting minutes shall indicate when the Library Trustees went into an executive session, what the primary reason was, when the Library Trustees came out of executive session, and a general description of any formal decisions that were made in executive session. Nothing in the meeting minutes shall divulge any confidential information discussed in executive session.

Section 4. The Executive Director shall attend all Library Trustees meetings except during executive sessions called for the purpose of discussing the employment or performance of the Executive Director and where the Executive Director has not requested in writing that said executive sessions be conducted publicly. The duties of the Executive Director are: to act as executive officer of the Library Trustees, having sole charge of the administration of the library under the direction and review of the Library Trustees, to be responsible for the care of the buildings and equipment, for the employment and direction of the staff, for

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

the efficiency of the library's service to the public, and for the operating of the library under the financial conditions set forth in the annual budget.

ARTICLE VII. COMMITTEES

Committees, standing or special, local or system wide, shall be appointed by the president as deemed necessary to carry on the work of the Library Trustees. The president shall publicly announce at meetings of the Library Trustees the creation of any such committee contemporaneously with its creation, with the expectation that once created, said committees will regularly furnish the Library Trustees with a committee report. The president shall be ex-officio a member of all committees except the nominating committee.

ARTICLE VIII. PARLIAMENTARY AUTHORITY

The rules contained in the current edition of *Robert's Rules of Order Newly Revised* shall govern the Library Trustees in all cases to which they are applicable and in which they are not inconsistent with these by-laws and any special rules of order the Library Trustees may adopt.

ARTICLE IX. AMENDMENT OF BY-LAWS

These by-laws can be amended at any regular meeting of the Library Trustees by a two-thirds vote of the full Library Trustees, provided that the amendment has been submitted in writing at the previous regular meeting.

Amended: 7/81, 4/87, 7/88, 11/11/02, 8/16/04, 12/13/04, 6/11/07, 10/12/09, 1/14/13, 3/10/14, 6/13/16

**Conflict of Interest Policy
for Members of
Phoenixville Public Library Board of Trustees**

Members of the Board of Trustees of Phoenixville Public Library have varied backgrounds and come from a variety of settings. Some may have other roles that intersect with the work of Phoenixville Public Library. It is thus inevitable that situations may arise in which individual Board members may have or be perceived to have conflicts of interest.

Possible conflicts of interest should not preclude Library Board service. However, in governing the affairs of Phoenixville Public Library, Board members must act in the best interests of Phoenixville Public Library and be alert to those situations in which their outside interests or relationships may be in conflict with this primary role.

Service on Phoenixville Public Library Board of Trustees is purely voluntary and shall not be used as a means for private benefit or enurement or for the advantage of another organization.

The following conflict of interest policy applies to all Board Members and Officers of Phoenixville Public Library:

1. Any possible conflict of interest with the interests of Phoenixville Public Library on the part of any Board member shall be disclosed to the other members of the Board and made a matter of record, either through an annual procedure, or when the interest becomes a material one in relation to a matter before the Board. Board members are responsible to notify Board President of any changes that arise during the year. Board President will review all potential conflicts when identified.
2. Any Board member having a possible conflict of interest on a matter before the Board shall disclose the conflict and not participate in the decision-making process or use her/his personal influence on the matter. The minutes of the meeting shall reflect the disclosure and the abstention from the decision-making process.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

3. The foregoing requirements shall not be construed as preventing the Board member from briefly stating his/her position on the matter or from answering pertinent questions from other Board members.
4. This policy shall be reviewed at each January meeting of the Board of Trustees so as to be sure it continues to meet the needs of Phoenixville Public Library and so that any new Board members are made aware of it.

I have read the above statements and I am not aware of any conflicts of interest, except:

ACCESS PA—PARTICIPATION IN THE STATEWIDE LIBRARY CARD PROGRAM

Recognizing that library services within the Phoenixville Public Library's direct service area (Phoenixville Borough, the Townships of Schuylkill and East Pikeland) and throughout the Commonwealth is improved by the sharing of resources through direct borrowing, the Phoenixville Public Library agreed to participate in the statewide library system (Access PA) through the Chester County Library System.

Under this program, Pennsylvania residents who have a current and valid library card from their home library (as defined in the Pennsylvania Library Code) with an Access PA sticker affixed to it may borrow materials from the Phoenixville Public Library and any member of the Chester County Library system and may return materials to any participating Access PA library, as provided under Commonwealth Libraries guidelines. The same overdue fines, lost materials charges, and fees will be applied to Access PA borrowers as are applied to all other registered borrowers.

Approved April, 2003

AVAILABILITY OF SERVICE (WHO'S BEING SERVED)

The entire resources of the Phoenixville Public Library are available to all customers. An individual's right to use the Library will not be denied or abridged because of origin, age, background, views or disabilities. BEHAVIOR

Policy Statement

The Phoenixville Public Library welcomes and encourages the use of its facilities and resources by the public. Library customers are encouraged to assist staff in maintaining a safe environment with equal access to all.

Library Guidelines for Public Behavior

Customers shall not interfere with the use of the Library by other customers, or interfere with Library employees' performance of their duties. Such interference can include noisy, rowdy, boisterous, aggressive, or disruptive behavior.

Cell phone use is acceptable only in designated areas. Customers are asked to observe cell phone courtesy in the library: low voice, short conversation, low ringer, and proceed to designated cell phone area.

Sleeping in the library is considered interference with others' use of the library if the sleeping individual is snoring, reclining, or using seating intended for more than one person.

Soliciting in the library is prohibited.

Nonalcoholic covered beverages and bagged snack foods are permitted in the Library, except in the Computer Centers. The use of tobacco and vaping products in the Library is prohibited.

Any materials removed from the Library must be checked out on a valid library card. This does not pertain to free handouts.

Library materials may not be taken into the restrooms.

Shirts and shoes are required.

Animals assisting Library users with disabilities are permitted in the Library. Other animals may not be brought inside.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

The Phoenixville Public Library assumes no responsibility for the personal belongings of customers while using the library.

Staff reserves the right to inspect any bags, briefcases, or purses.

Failure to follow these guidelines may result in expulsion from the Library by staff and/or denial of privileges by the Executive Director. Any customer whose privileges have been denied may have the decision reviewed by the Library Board of Trustees.

General Information/Introduction

The following information should assist staff in understanding the purposes of the policy and the spirit in which it is to be implemented. The Phoenixville Public Library Board and staff have endorsed the following guidelines, based upon constitutional principles, in developing and approving a policy for library behavior.

Taken from the American Library Association's *Proposed Guidelines for the Development of Policies Regarding User Behavior and Library Usage*.

- Regulation of customer behavior must be approached within the framework of the law including local and state statutes and constitutional standards under the First and Fourteenth Amendments, as referring to due process and equal treatment under the law.
- Public library service is based on the First Amendment right of free expression. Public libraries are recognized as limited public forums for access to information and may be held to a higher standard of constitutional review than may be required of other public services and facilities.
- The government has a significant interest in maintaining a library environment that is conducive to all users' exercise of their constitutionally protected right to receive information. This interest authorizes publicly supported libraries to maintain a safe and healthy environment in which library users and staff can be free from harassment, intimidation, and threats to their safety and well-being.

Restrictions

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

- Should apply only to those activities that materially interfere with the public's right of access to library facilities, the safety of users and staff and the protection of library resources and facilities;
- Should be based upon actual behavior and not upon arbitrary distinctions between individuals and classes of individuals;
- Should not restrict access to the library by persons who merely inspire anger, annoyance, or negative subjective reactions; and
- Must be enforced evenhandedly.

Implementation

It is the policy of the Phoenixville Public Library to treat all Library customers equally, fairly, and respectfully and assume that all persons have a legitimate reason for being in the Library. However, there are circumstances, when handling difficult situations, which call for a reasoned but firm response. At such times, staff must use common sense and a positive attitude. Although the following guidelines do offer steps toward resolution in a number of circumstances, staff members need to understand the intent of these procedures as well as the specific recommendations. All staff have a responsibility to be aware of potential problems and alert the Person In Charge (PIC) and/or other staff when they sense a potential problem, as well as an actual problem.

Basic Staff Guidelines

Determine whether the condition is life-threatening. If so, call 911 immediately.

If staff witnesses or is informed of a crime, immediately notify other staff and/or the PIC to call 911.

If staff observes unusual behavior, they are to report their observations to other staff and/or the PIC.

Record all incidents (behavior problems or other unusual occurrences) in the Incident Report Log.

General Staff Guidelines

1. Always attempt to handle the problem positively. Inform customers of the guideline(s) and ask for compliance. Customers may, in fact, be unaware that their behavior is disturbing others or is against Library guidelines.
2. When positive techniques fail, staff or the PIC may issue a warning to the customer.

First Warning: Warnings should be delivered in a neutral voice, should restate the guideline and offer the consequences if the behavior does not stop. Consequences might be asking one or more individuals to leave the Library.

In some situations having other staff and/or the PIC present while staff delivers the warning may reinforce the seriousness of the situation to the customer.

When appropriate, warnings and/or discussion of problems should take place out of range of other customers, but not in an isolated place.

Staff is not to argue, reason with, or communicate any option to the difficult customers other than the following, and staff is to share the following statement with them the first time (use it as a guide):

“In this library you are expected to be quiet. You can read, study, or do research. Your behavior is not appropriate and you are disturbing the staff and other customers. You can stay here and be quiet or you can leave. Please cooperate with us. If I have to come over again, I will ask you to leave.”

3. Applying the consequences: When Library customers fail to heed the First Warning, the consequences stated should be applied. If the consequence is having a customer leave, staff and/or the PIC will escort him/her to the door. Do not touch the customer. If separating a noisy group, stand by while they comply.
 - a) If staff does go over to customers a second time, they should advise them as follows (absolutely no exceptions):

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

“I have given you your warning. You’re not playing by the rules. I’m asking you to leave and not to come back today. If you do not leave the Library property or if you do come back, the police may arrest you for trespassing and could issue you a citation that could cost you up to \$300.00 plus court costs.”

- b) If at all possible, have another staff member go to the phone and call 911 before going to the customers to ask them to leave. When the police arrive, follow up with them.

Customer refuses to leave: When Library customers have been asked to leave the building and refuse to do so, staff and/or the PIC tells them that they have no alternative but to call the police. If they still do not leave, staff or PIC will call 911.

Unattended Children

During library hours, children under the age of 9 must be under the care of an adult or responsible teenager at all times, including while the adult is using a public computer or looking for library materials.

Children who are unable or unwilling to care for themselves may not be left alone in the library and must have adequate supervision from a parent, caregiver, or legal guardian. Parents, caregivers, or legal guardians are responsible for the behavior of their children in the library, not library staff.

Parents, caregivers, and legal guardians are responsible for being aware of library hours and policies. In case an unexpected event occurs such as a power outage, children should know who to contact.

Staff members do not monitor the arrival or departure of any child from a program or the library. Library employees do not act in loco parentis. For parents, caregivers, or legal guardians who forfeit their responsibilities, library employees will contact the appropriate authorities.

Guidelines for Staff Implementation for Unattended Children

1. If a staff member becomes aware of a child under the age of 9 alone in the library, the child’s caregiver should be located and asked to stay with them. A child is considered alone even if the caregiver is in the library but not nearby, for example on a different floor.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

2. If the caregiver cannot be located, a staff member should inform the Person in Charge (PIC) and escort the child to the Children's Library. The PIC or designated Children's Library staff should attempt to contact a caregiver.
 - a. If the caregiver is expected within 30 minutes, Children's Library staff should keep the child under observation until the caregiver arrives. When the caregiver arrives, staff will
 - explain Library Policy about unattended children and give them a copy of the policy;
 - alert the caregiver that no public place, including the Library, can guarantee the safety of a young child alone and that the library does not act in loco parentis;
 - explain to the caregiver that, if they had not come within 30 minutes, 911 would have been called.
 - b. If the child does not know when the caregiver will return but can give contact information, staff should try to reach the caregiver.
 - If successful, ask the person to come immediately for the child. If the person cannot come within 30 minutes, tell him or her that 911 will be called to pick up the child. (PIC and Children's Library staff may use some discretion in determining if an extension of the 30-minute time limit is appropriate.)
 - If not successful in reaching the caregiver, notify the Person in Charge (PIC). Call 911 and inform them of situation. Notify other staff to be alert for the caregiver looking for the child so that the caregiver can be properly directed.
 - c. If the child cannot give contact information, call 911.
3. If a staff member becomes concerned about the behavior or the vulnerability of an unaccompanied child 9 years of age or older, *
 - a. staff member should notify the Person in Charge (PIC) and the Children's Librarian, who will assess the situation together.
 - b. if in their judgment the situation requires parental involvement, staff should follow the steps given above for contacting a caregiver or, if necessary, calling 911.

Unaccompanied children of any age, as well as children who are accompanied, must abide by the Library's Behavior Policy.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

*** Library staff may take action they deem appropriate and necessary to provide for the welfare and safety of an unattended child until a caregiver or emergency responder arrives.**

If staff determines that a situation is life-threatening or that a crime has been committed, 911 should be called immediately.

BORROWING POLICY (Chester County Library System-Wide Policy)

The Chester County Library System (CCLS) provides prompt, accurate and courteous service to all patrons regardless of race, color, ethnicity, national origin, gender, sexual orientation, religion, age, socioeconomic status, disability, immigration status, background, and/or views. It offers this in fulfillment of its mission to develop services, resources and collections that meet the cultural, informational, recreational, and educational needs of its diverse community.

Service to the public takes priority over any other duties. We handle in-person and telephone requests for service in the order that they arrive, but temper this rule by handling brief requests before lengthy ones if patrons are waiting. If a patron has a time-consuming request that is delaying service to other patrons, we offer to complete the questions later, or we get help from another staff member.

All patron transaction records are strictly confidential. With the proper ID or library card number, a patron can get a printout of his/her fines or outstanding books and may be told his/her standing on a reserves waiting list. No information may be given regarding any other patron unless that patron's account indicates permission.

CCLS member libraries issue library cards to establish a patron account, facilitate loan of materials and use of online resources, and to enable the libraries to keep a record of which materials are on loan to patrons. Individuals who live, work, own property or attend school in Chester County are eligible for a free library card. CCLS member libraries are participants in the ACCESS PA Statewide Library card program and abide by its rules and regulations for free patron reciprocal library cards. Other individuals who desire a library card may be charged a fee.

Parents or Guardians are responsible for their minor's access to materials and services. The CCLS member libraries and staff do not act *in loco parentis*.

CCLS sets loan periods and loan limits in order to provide patrons with fair and reasonable access to the libraries' materials. The CCLS sets limits on the length of time that an individual can keep a specific type of material in order to more fairly distribute limited materials. The limit also reflects the fact that it takes more time to utilize some types of materials than others.

CCLS allows for the renewal of library materials as a courtesy to patrons who have not completed their use of an item. Limits on renewals exist so that all patrons can have an equal opportunity to use the libraries' materials.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

CCLS charges fines as an incentive for patrons to return materials in a timely manner so that other patrons can have access to the items.

CCLS charges a processing fee to offset the cost of recovering and replacing lost and damaged library materials. Some member libraries charge borrowing fees for providing certain popular and high-demand materials (i.e., rental books, DVDs, audiobooks).

At the discretion of the owning Library's Director or designee, CCLS member libraries may extend continued borrowing privileges to patrons who claim that they have returned materials that the circulation system indicates are still checked out to them.

CCLS sends notices to patrons in the form of due date reminders by email, and overdue notices by email, phone or letter, as a courtesy to remind them when items are due, and of materials kept past the due date. Patrons are notified by mail when being billed for items that remain outstanding after prior notice.

CCLS accepts requests (holds) for circulating library materials in order to provide access to high demand materials and materials located at the various member libraries. Holds are fulfilled in chronological order by which they are received from the patron.

CCLS utilizes the services of a collection agency to assist the library in recovering long overdue materials, billed charges for lost and damaged items, and/or unpaid balances. This allows us to maintain the integrity of the libraries' collections and ensure availability of materials to library users.

Regulations and Procedures

Library Cards

Definition

A card containing a 14 digit unique identifying number issued to a patron to establish a patron account. This card facilitates the use of online resources and enables the libraries to maintain a record of which materials are on loan to a patron.

Regulations

Obtaining a Library Card

1. On the library card application, the applicant must provide his or her full, legal name, address, and date of birth.
2. Adult applicants must also provide valid ID (i.e., driver's license) that verifies name and current address.
3. Anyone under the age of 18 may be issued a library card after completing an application provided that the applicant's parent or adult guardian signs the application to evidence his/her agreement to be financially responsible for the use of the card and any fines or other charges incurred pursuant to the Borrowing Policy.
4. *The parent or legal guardian and minor must be present in order to apply for a library card. Exceptions may be granted by a member library's Director or designee.*
5. Upon turning 18 a minor who has a library card will need to apply for a new card and thereby assume financial responsibility for his account.
6. Emancipated minors who have proof of their court ordered emancipation, may receive a card without parental consent.
7. Institutions may receive an institutional library card providing the Director (or other authorized person) of the agency is willing to sign a statement committing the institution to being responsible for all books checked out on the institutional card.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

8. Provisional library cards are available to PA state residents who cannot provide ID to verify current address. These cards are issued with a 90 day expiration date, and 2 item borrowing limit. Provisional status and restrictions are removed when ID that verifies current address is presented. Please contact your local library for more information.
9. All library cards are verified as active accounts every three years. If at the end of three years there has been no activity on the account and there are no outstanding charges or unreturned materials, the account is considered inactive and is deleted.
10. Active adult library card accounts are subject to a 3 year expiration period. Expired cards cannot be used to borrow or renew materials, place holds, or download e-materials. To reactivate an expired card the cardholder must present ID that verifies current address, in person, at any member library.

Borrowing Privileges

1. Patrons can maintain full library borrowing privileges by:
 - a. returning materials on or before the due date
 - b. adhering to the borrowing limits for all types of material (100 items at a time maximum)
 - c. paying for lost or damaged materials before the item is 28 days overdue
 - d. not exceeding a total of \$10.00 owed on their account
 - e. promptly informing the library of any change of address or phone number
 - f. presenting ID that verifies current address prior to the library card expiration date of an adult cardholder
2. Patrons must provide a library card to check out library materials. If a library card is not available, the patron must provide an ID and proof of address that exactly matches the address in the patron's account.
3. Patrons under the age of 18, if unable to provide a library card or ID, may verbally provide address and phone number as proof of identification, but both the address and phone number must match

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

those in the library's records. If the child cannot provide address and phone number, a parent or guardian may do so for them, if both are present.

4. Whenever a patron calls a member library to conduct a transaction on his/her account, he or she must provide a library card number and/or his or her name.
5. A patron's account is considered delinquent when items are overdue or money is owed. This status may affect the patron's ability to borrow materials from the library, or to place items on reserve.
6. A patron's borrowing privileges may be suspended under the following circumstances:
 - a. When an item is overdue by 28 days.
 - b. A patron exceeds borrowing limits by type or quantity of material.
 - c. When the total amount of unpaid fines and fees exceeds \$10.00.
 - d. When a patron's account has been referred to the Collection Agency and all money owed has not been paid in full.
 - e. A patron's library card has expired.
 - f. A parent or guardian has completed required documentation to "Withdraw Consent to be Responsible Party" for a minor's library account.

In these instances, the patron's borrowing privileges will be suspended until the outstanding issue is resolved.

7. Using another patron's library card to check out materials is permitted. However the card must be presented to do so. Without the card, items cannot be borrowed on another patron's account. The only exception to this is for pick-up of reserved items by a designee whose permission is specifically noted in the account.

Lost, Stolen, or Previously Issued Library Cards

1. Patrons must report lost or stolen cards in order to avoid being held responsible for materials checked out on their cards.
2. There is a charge of \$3.00 to replace a lost library card.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

3. In the event that a card is reported stolen, the library has the option of waiving the replacement fee.
4. If a patron reports a card lost or stolen, the patron must provide identification in order to get a new library card in addition to paying the \$3.00 replacement fee. Children under the age of 18 who do not have ID, may use a parent or guardian's ID with matching address.
5. If a patron comes to the circulation desk with a previously issued library card (i.e. a card that has been replaced with another card), the patron must show identification before the staff person will look up the current active account.

Patron Responsibilities

1. A library patron is responsible for all materials checked out on his or her card and on the cards of minors for whom he/she has assumed responsibility for on a library card application.
2. The individual named on an adult account, or the adult who has signed as responsible party for a minor's card, is responsible for all fines and fees assessed to that account.
3. An adult who has signed as "Responsible Party" for a minor's library card may withdraw that consent at any time by completing a "Withdrawal of Consent to be Responsible Party" form in person at any member library.
4. Withdrawal of consent will suspend borrowing privileges on the account, but does not release the responsible party from the proper care and safe return of materials currently borrowed or for payment of all charges incurred on the account prior to the date of withdrawal of consent.
5. All lost or stolen library cards should be reported immediately so that a message can be added to the account to prohibit unauthorized use of the card. The owner of the card is responsible for all items checked out on the card until the card is reported lost or stolen.
6. When a patron moves, it is the responsibility of the patron to inform circulation staff at a member library of changes to his/her

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

address, telephone number, email address or other account information.

Library Employee and Volunteer Borrowing Privileges

Library employees, volunteers and board members are subject to all of the rules and regulations in the Borrowing Policy with the exception of the following privileges:

1. Library employees are granted fine-free and fee-free borrowing privileges.
2. Employees may not renew books that are on reserve for other patrons or staff members.
3. Employees must wait their turn on reserve lists and may not change their priority to be higher on the list for materials.
4. Staff members who leave the employ of a CCLS member library (non-retirees) will have their status changed from “employee” status to “standard” patron status.
5. Retirees
 - A P-type will be reserved for retired library employees.
 - Member libraries will establish criteria for eligibility for retiree status.
 - Retired library employees will be fine free and fees will be decided at each member library.

At Christmas, a member library may find it necessary to limit the number of holiday books borrowed by any one person based on the size of the collection.)*

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

6. Holds must be picked up in person, or by those designated by name in the patron's account with permission to pick up in their absence, and can only be checked out to the patron account upon which the hold was placed.
7. Adult cardholders, age 18 or older, may authorize others to pick up their reserved items without presenting their library card or providing titles by submitting an "Authorization to Pick Up Reserved Materials" form.
8. Otherwise, the person picking up reserved materials for another adult cardholder must have the cardholder's library card or barcode number stored in an app, or provide the titles of the reserved materials.

In the case of a minor's account, the parent or guardian who has signed as the responsible party for the account will be referred to the collection agency.

However, the patron must pay according to the agreed upon schedule toward the resolution of the debt. During the time the patron is regularly making payments, CCLS will arrange for the collection agency to suspend collection activity. A missed payment will result in the account again becoming active with the collection agency. Borrowing privileges are not restored until the account is paid in full.
6. If a patron pays their fines or fees after the account has been reported to the collection bureaus, the collection agency policy is to remove the account from the patron's credit report with their initial consumer reporting each month. There should be no negative record of the debt after the bureaus update their records, which typically occurs within 30-60 days after payment is received by the library.
7. If a patron would need proof of payment the collection agency is happy to provide the patron with a paid in full letter.

The Library will participate in cooperative collection development with Chester County Library System and the libraries of the Phoenixville Area School District. Collection development will also take into account the continuing utilization of the interlibrary loan services provided by the Chester County Library & District Center.

Materials are selected:

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

- in a timely manner to meet customers' interests and needs. Staff will purchase current materials proportionate to levels of demand and use, taking care to anticipate and respond to indications of significant new needs.
- to support the Library's service responses. The Library provides, within its financial limitations, a collection for the general public that embraces broad areas of knowledge, works of enduring value, and timely materials on popular cultural and social trends, in diverse formats.
- to present balanced points of view within the collection.

Consideration is given to:

- Accuracy
- Authoritativeness
- Cost
- Enduring value
- Interlibrary loan availability
- Language – English, except for material with broad appeal in other languages
- Library's existing collection
- Literary merit
- Local authors
- Other community resources
- Public demand
- Quality and suitability of format
- Scarcity of literature on the subject
- Social significance
- Timeliness

Selection tools include professional and trade journals, reviews from reputable sources, publishers' promotional materials, print and online vendor catalogs, best-seller lists, subject bibliographies, and award-winning or award-nominated items. Purchase suggestions from the public are given consideration in the context of the collection development policy.

The selection of materials for the collection does not constitute an endorsement of contents. The Phoenixville Public Library recognizes that some materials may be controversial and that any given item may offend some customers. Selection decisions are made on the merits of a particular

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

item in relation to building the collection and fulfilling the service responses of the Library.

Donations and Gifts

Donations of books and other materials are accepted with the understanding that they may be used or disposed of in accordance with the Library's collection development policy. The Library does not accept items whose copyright is more than 5 years old, textbooks, incomplete encyclopedias, encyclopedia yearbooks, Reader's Digest Condensed Books, or National Geographic or other magazines, except where approved by the Board of Trustees.

Memorial, honorary, and monetary gifts are welcome with the understanding that the Library has the final decision on which materials are purchased. The donor's request for a specific title, subject area, or format will be considered. Bookplates will be used to acknowledge the donor of memorial and honorary gifts.

All suitable donations become part of the general collection and should not require special shelving or circulation procedures, unless recommended to and approved by the Board of Trustees. Conditions relating to any donation either before or after its acceptance by the Library may be imposed only upon approval by the Board of Trustees. Donated items which are not suited to the collection will be placed in Library book sales or donated to other nonprofit organizations, or items will be disposed of in a manner the Library deems appropriate. Donated rare, local materials, with the exception of items pertaining to Phoenixville Public Library, are given to the Historical Society of the Phoenixville Area.

Art objects or memorabilia offered to the Library must be evaluated for acceptance by the Board of Trustees. Their decision will be influenced by space availability, cost of insurance, upkeep, relevance to the purposes of the Library, and significance to the community.

Donors of items accepted by the Library may request an acknowledgement of their gift, but the Library cannot, by law, appraise or establish the value of items donated.

Withdrawal of Items

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

Titles are withdrawn from the Library's collection through systematic collection management. To maintain the vitality of the collection, the removal of outdated, superseded, damaged, seldom used, and excess copies is to be done on a regular and systematic basis, utilizing the CREW method or other professionally acknowledged guidelines. Deselected materials will be available for purchase through Library book sales, available free, donated to other nonprofit organizations, or disposed of in a manner the Library deems appropriate.

Lost or damaged items are replaced using the same guidelines governing the selection of new materials. Factors in replacement decisions are:

- Appropriateness to the Library's collection plan.
- Number of copies the Library owns.
- Availability of newer materials on the subject.
- Importance of the work in its field.
- Cost to replace.

Out of print titles in bad condition may be rebound if of historical value.

Statement of Concern Form

The Statement of Concern Form should be used when a customer has a concern about materials in the Library and wishes to register this concern in writing. The procedure is as follows.

Customers should initially be directed to talk with appropriate staff, e.g., Youth & Teen Services Director, Adult Services Director, to discuss the materials in question. If the customer wishes to express their concerns in a more formal manner, they should complete the Statement of Concern Form. The form will be referred to the Executive Director, who will send a letter acknowledging its receipt, along with a copy of the Collection Development Policy, to the customer.

Within a month, a review of the item will be completed by Library staff, who will make a recommendation to the Library Director. The Library Director will then notify the customer of their decision in writing. If the individual is not satisfied with the action taken, they may appeal to the Board of Trustees of the Phoenixville Public Library. In order to appeal, the original statement of concern form, recommendation of the Executive

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

Director, and written statement from the customer about their lack of satisfaction of the action taken, will be given to the Board of Trustees. The board will then review the item and all of the documentation. This process will take the board no longer than 2 months. Once the review process is complete the Board of Trustees will notify the patron of their decision in a formal letter mailed to them.

Patrons using their library card barcodes are entitled to a minimum of two 60-minute sessions per day on Computer Center or Young Adult Room computers, or a minimum of two 30-minute sessions per day on Children's Library computers. A guest pass entitles the user to a maximum of 60 minutes' computer usage per day.

When a patron's session is complete, extended time may be granted automatically if that computer has not been reserved or other computers are available in that particular location. A patron may also request additional time from staff at the Circulation or Reference Desks.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

A patron can end their session before the time limit has been reached and can suspend a session if they must leave the computer for a brief period of time.

To use computers in the Computer Center, children below age 13 must be accompanied by a parent or legal guardian, who must sign in with their library card. Children above age 12 may not use computers in the Children's Library. Adults may not use computers in the Children's Library unless accompanied by a child, who must sign in with their library card. - Individuals may not store files on CCLS devices. Files or other data found on hard drives are deleted as part of daily clean-up procedures.
- Patrons may use USB ports on the fronts of CCLS computers for their own USB-compatible devices. CCLS is not responsible for any corruption of data that may occur or for devices left at CCLS facilities.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

- Patrons may not alter CCLS's hardware and may not use any ports or jacks at the backs of Library computers to attach any equipment or peripherals to a CCLS device.
- CCLS's wireless connections are intended for those using their own laptops, notebooks, PDAs, or other similar devices. CCLS is not responsible for corruption of software or data on users' devices while using Library wireless connections.
- Wireless communications are not secure. Wireless users should avoid transmitting credit card or other sensitive personal information through wireless connections.
- Wireless printing may be available at some CCLS facilities. Wireless users wishing to print from their wireless computing devices at a CCLS facility should check with library staff at the facility to determine if it is available and any requirements.
- Patrons are responsible for damage to or loss of CCLS hardware and software caused by negligence. Replacement costs apply in cases of loss or damage.
- Patrons can request from staff general guidance for making wireless connections. CCLS Staff are not permitted to configure users' personal computing devices.

Staff Roles and Responsibilities (Chester County Library System-Wide Policy)

Definitions:

CCLS is the Chester County Library System and its member libraries.

- CCLS staff can guide parents to materials and sites that will help them use the Internet with their children.
- CCLS staff are available to assist users in accessing information on the Internet and to answer questions or concerns. However, time does not permit staff to provide in-depth training on the Internet or personal computer use on demand. The CCLS regularly offers workshops for the public on the Internet and its specific applications.
- CCLS staff will provide general guidance for using wireless connections. Due to liability concerns, CCLS staff is not permitted to configure users' personal computing devices.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

- In compliance with CIPA, Library staff will override a block on Internet sites imposed by the filter upon request by an adult 17 and older, for any lawful purpose and in compliance with the provisions of Pennsylvania law summarized in the Policy above. The Library will unblock erroneously blocked sites upon any request by a minor. Staff may refer to *Filtering Procedures and FAQs*, available on the CCLS intranet under **Filtering Information**. If unblocking results in the display of inappropriate images on the monitor, CCLS staff will follow the guidelines given in the next bullet.
- A CCLS staff member who notices inappropriate images or materials displayed on a monitor should immediately approach the user, tell the user in a quiet, neutral, objective manner that the display is not permitted in the Library's public setting, and politely ask the user to remove it. If there is any hesitation on the user's part the staff member should immediately minimize the image or turn the monitor off if the image is on a CCLS computer. If the image is on a personal laptop or notebook, the staff member *may not touch* the user's personal computing equipment but should stay with the user until the image is removed. The staff member should explain to the user that any further display of such materials will result in denial of computer and wireless use privileges and, possibly, in a request to leave the facility.
- Although the primary objective of CCLS staff that sees inappropriate images displayed on a monitor is to clear the display from public view, there are additional concerns if images appear to be child pornography. If a displayed image appears to be child pornography and if there are no other library users in the area at the time, the staff member should call a staff member from another area as a second witness to what appears on the monitor. This is particularly important if the staff member is aware that the same user previously displayed a similar type of image.
- If a staff member feels that a criminal activity may be taking place, he or she should immediately involve another staff member as a witness and, when possible, the Person In Charge (PIC) to determine if police should be called (911). If the situation is urgent and the PIC is not immediately available, any staff member may call 911. (*See also Library Behavior Policy.*)
- The CCLS Executive Director is the custodian of CCLS owned/leased computer hardware. Any request by law enforcement officials or

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

others for access to such hardware must be referred to the CCLS Executive Director.

Fees

- Printouts – black & white: 15 cents/page; color: 35 cents/page payable at Print Release/Computer Reservation station in Computer Center for Computer Center and Young Adult room computers; payable at the Children’s Circulation Desk for Children’s Library computers.
- CD-Rs/DVD-Rs -- 50 cents/disk, available at the Circulation Desks.

Internet Acceptable Use Policy (Chester County Library System-Wide Policy)

The Phoenixville Public Library, a member of the Chester County Library System (CCLS) provides public access to the Internet and other electronic resources through CCLS provided computers and wireless connections. These connections and computers are leased, owned, or provided by the Chester County Library System. Users of these computers or wireless connections may use them for any purpose that does not violate this policy as well as the CCLS Internet Acceptable Use policy (http://www.ccls.org/cwo/Acceptable_Use). It offers this in fulfillment of its mission to develop services, resources and collections that meet the cultural, informational, recreational, and educational needs of its diverse community, and to respond to advances in technology and the changing needs of its customers. Phoenixville Public Library recognizes that the Internet is a rich but unregulated resource and that not all sources on the Internet provide information that is accurate, complete, current, legal, or philosophically acceptable to all citizens. Phoenixville Public Library selects links for their web site to guide users to sites that have been reviewed according to the same selection criteria used for other library resources.

Individual users assume the responsibility for determining the suitability of Internet content for themselves. Phoenixville Public Library affirms the right and responsibility of parents and legal guardians for deciding what library resources, including those found on the Internet, are appropriate for their own minor children. Phoenixville Public Library staff

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

do not act *in loco parentis* to restrict what a child may access. Phoenixville Public Library discourages all customers (especially minors) from disclosure, use, or dissemination of personal information while interacting with others through direct electronic communications, such as social networking web sites, chat rooms and email. Unauthorized disclosure, use, and dissemination of personal information regarding minors is strictly prohibited.

CCLS uses technology protection measures to filter content in accordance and compliance with the federal Children's Internet Protection Act, (CIPA), Pub. L. No. 106-554, Div. B., Title XVII, 114 Stat. 2763A-335 (2000).

Users of CCLS provided computers or wireless connections may not use them for any purpose that violates federal, state or local laws. Users must respect all copyright laws and licensing agreements pertaining to electronic files and other resources obtained via the Internet. The viewing of pages that contain or display sexually explicit images or materials or obscenity as defined in 18PaCS 5903 is prohibited in Pennsylvania in a public library environment. The viewing of child pornography is a criminal act and may be prosecutable as a felony. CCLS will assist in the prosecution of criminal activity. The CCLS Executive Director is the custodian of CCLS owned/leased computer hardware. Any request by law enforcement officials or others for access to such hardware must be referred to the CCLS Executive Director.

Phoenixville Public Library does lease or own some hardware. The Phoenixville Public Library Executive Director is the custodian of record for those devices. Any request by law enforcement officials or others for access to this hardware must be referred to the Phoenixville Public Library Executive Director.

Phoenixville Public Library and CCLS reserve the right to terminate an individual's use of an electronic resource, library computer or wireless connection at any time for failure to comply with Phoenixville Public Library or CCLS Policies or Guidelines.

CONFIDENTIALITY OF LIBRARY CIRCULATION RECORDS (Chester County Library System-Wide Policy)

BACKGROUND

Public library service is based on the First Amendment of the United States Constitution, which guarantees the right of free expression. Inherent in this right is the freedom to read, to listen, and to view without interference and surveillance.

The Board of Trustees of the Chester County Library System affirms the Code of Ethics of the American Library Association which states, “*We protect each library user’s right to privacy and confidentiality with respect to information sought or received and resources consulted, borrowed, acquired or transmitted.*”

POLICY STATEMENT

It is the policy of the Chester County Library System (CCLS) to endorse and comply with the Public Library Code, Act of Nov. 1, 2012, P.L. 0, No. 210, specifically § 9375, quoted below.

Privacy of circulation records.

Records of the following institutions which relate to the circulation of library materials and contain the names or other personally identifying information of users of the materials shall be confidential and may not be made available to anyone except by a court order in a criminal proceeding:

- (1) The State Library.*
- (2) A local library established or maintained under the provisions of this chapter.*
- (3) The library of a university, college or educational institution chartered by the Commonwealth.*
- (4) The library of a public school.*
- (5) A library established and maintained under a law of this Commonwealth.*
- (6) A branch reading room, deposit station or agency operated in connection with a library described in this section.*

The CCLS defines “circulation records” to include the user’s personally identifiable information, the borrowing of member libraries materials, interlibrary loan records, Internet and electronic resource records and other

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

personally identifiable uses of the CCLS integrated library system (ILS) or CCLS network.

The Board of Trustees of CCLS further considers confidential; the use of library materials in the member libraries; requests for information or materials by author, title or subject; reading, listening or viewing habits related to author, title or subject; and other personally identifiable uses of library materials, equipment, or services.

The CCLS interprets possession of a CCLS library card (or card number in a phone or email request) as consent to use it unless it has been reported lost or stolen, or there is reason to believe that consent has not been given.

CCLS member libraries or their affiliate partners (library foundations/trusts or Friends of Library) may send users information on services, programs or requests to support the library(s). In connection with any library related fundraising, CCLS may use and disclose patron contact information to our affiliate partners. However, CCLS will not disclose individuals borrowing information except as required by law. Patrons may opt out by contacting their local library.

Persons attending library programs or public meetings may be video recorded or photographed as an audience member. These images may be used for libraries' programming or promotion, including the libraries' websites, the Internet and other media.

Security cameras are installed in some member libraries. Authorized staff may view recordings/feeds. Libraries' security camera recordings may be available for view by others upon receipt of an open records or law enforcement request. Requests should be made to the member library where the cameras are installed.

The CCLS expects staff and volunteers to treat all confidential information similarly, regardless of the individual's age.

It is also the policy of the CCLS to comply with federal laws such as the USA PATRIOT Act (2001; P.L. 107-56) which allows access to library information by law enforcement agencies by proper legal order.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

The custodian of “circulation records” is the Chester County Library System Executive Director.

Requests for “circulation records” should be made in writing to the CCLS Executive Director at 450 Exton Square Parkway, Exton PA 19341. Requests for other confidential information should be made in writing to the Director of the CCLS Member Library where the transaction occurred.

The CCLS recognizes its obligation to protect user confidentiality to the extent possible within the framework of the law. The Library’s response to legal orders will be guided by the advice of the County Solicitor’s Office.

INTERLIBRARY LOAN SERVICE (Chester County Library System-Wide Policy)

The Chester County Library System (CCLS) provides prompt, accurate and courteous service to all patrons regardless of race, color, ethnicity, national origin, gender, sexual orientation, religion, age, socioeconomic status, disability, immigration status, background, and/or views. It offers this in fulfillment of its mission to develop services, resources and collections that meet the cultural, informational, recreational, and educational needs of its diverse community.

The Chester County Library System agrees to endorse the 2018 revised Pennsylvania Interlibrary Loan Guidelines (<https://www.statelibrary.pa.gov/Documents/For Libraries/Library Laws and Regulations/Interlibrary Loan Guidelines/Interlibrary Loan Guidelines.pdf>).

CCLS member libraries agree to follow the policies and procedures of the Chester County Library System in regards to the provision of Interlibrary Loan service.

I. Introduction

Interlibrary loan service is essential to the vitality of libraries of all types and sizes as a means of greatly expanding the range of materials available to users. Lending between libraries is in the public interest and should be encouraged. Interlibrary Loan Service should serve as an adjunct to, not a substitute for, collection development. When resources within the state and then the region have been exhausted, loan requests to more distant libraries should then conform to the provisions of the Interlibrary Loan Code for the United States (<https://www.ala.org/rusa/guidelines/interlibrary>).

II. Definition

An interlibrary loan is a transaction in which library material or a copy of the material is made available by one library to another upon request.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

III. Purpose

The purpose of an interlibrary loan as defined in this policy is to obtain library material not available in the Chester County Library System.

IV. Scope

A. Under the terms of this policy, it is permissible to request on interlibrary loan from CCLS Member Libraries (the libraries) any type of library material. The libraries will decide in each case whether a particular item can be provided.

B. The libraries will not ordinarily lend the following type of materials:

1. Rare or valuable material.
2. Bulky or fragile items which are difficult to ship.
3. Material in high demand at the lending libraries.
4. Material with local circulation restrictions.
5. Unique material that would be difficult or impossible to replace.

V. Responsibilities of the borrowing libraries

A. Each library should provide the resources to meet the ordinary needs and interests of its primary users. Material requested from another library under this code should generally be limited to those items that do not conform to the library's collection development policy or for which there is no recurring demand.

B. Borrowing libraries should make every effort to exhaust their own resources before resorting to interlibrary loans.

C. Each library should inform its users of the purpose of interlibrary loan and of the library's interlibrary borrowing policy.

D. The borrowing library's user, for whom the material is being requested, must have current local borrowing privileges and their account must be in good standing (no fines, fees or other concerns) to be eligible for interlibrary loan.

E. Borrower Re-requests: Requests for the same item, from the same patron will not be accepted for 30 days from the date of return of the item. This shows a recurring demand and the borrowing library should consider the item for purchase (if it is available).

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

F. The borrowing library is responsible for compliance with the copyright law (Title 17, *US Code*) and its accompanying guidelines, and should inform its users of the applicable portions of the law.

G. Requested material must be described as completely and accurately as possible following accepted bibliographic practice. If an item cannot be verified, the statement "cannot verify" should be included along with information about the original source of citation.

H. Standard interlibrary loan formats should be used for all requests.

I. The safety of borrowed materials is the responsibility of the borrowing library from the time the material leaves the lending library until it is received back by the lending library. The borrowing library is responsible for packaging the material to ensure its return in good condition. If damage or loss occurs, the borrowing library must meet all costs of repairs or replacement in accordance with the preferences of the lending library.

J. The borrowing library and its users must comply with the conditions of loan established by the lending library. Unless specifically forbidden by the lending library, copying by the borrowing library is permitted provided that it is in accordance with the applicable copyright laws and no damage to the original volume would result.

VI. Responsibilities of lending libraries

A. The decision to lend material is at the discretion of the lending library, which will interpret as generously as possible its own lending policy with due consideration to the interests of its primary users.

B. A statement of interlibrary loan policy should be made available upon request.

C. The lending library should process requests promptly. Conditions of loan should be stated clearly and material should be packaged carefully. The lending library should notify the borrowing library when unable to fill a request, stating the reason for not filling the request whenever possible.

D. The lending library will comply with current copyright law (Title 17 U.S.C.) and its accompanying guidelines.

VII. Expenses

A. The borrowing library should be prepared to assume any costs charged by the lending library and should attempt to anticipate charges and authorize them on the initial request.

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

B. If the charges are more than nominal and not authorized by the borrowing library, the lending library should inform the requesting library and ask for authorization to proceed.

VIII. Duration of loan

A. The duration of loan, unless otherwise specified by the lending library, is the period of time the item may remain with the borrowing library disregarding the time spent in transit.

B. Interlibrary loan material should be returned promptly.

C. A renewal request should be sent in time to reach the lending library no later than the due date. It is up to the discretion of the lending library whether or not a renewal will be granted.

D. Once an item is overdue, no request for a renewal will be accepted. The item must be returned.

E. All material on loan is subject to immediate recall, and the borrowing library should comply promptly.

IX. Confidentiality of Interlibrary Loan Requests

A. By endorsing this policy, libraries accept the interpretation that interlibrary loan borrowing and lending records fall under the legal guaranties of confidentiality as specified in the Library Code, Act of June 14, 1961, P.L. 324, as amended through July 1, 1985, Section 428.

B. Libraries are not required or encouraged to retain records beyond a time frame dictated by local standard practice or copyright compliance guidelines.

X. Confidentiality of Library Records

It is the policy of the Chester County Library System to endorse and comply with the [PA] Library Code, Act of June 14, 1961, P.L. 324 as amended through July 1, 2000, specifically Section 428, added 1984, June 27, P.L. 431, No. 90, Section 3, commonly referred to as “Act 90”, quoted below.

Library Circulation Records

“Records related to the circulation of library materials which contain the names or other personally identifying details regarding the users of the State Library or any local library which is established or maintained under any law of the Commonwealth or the library of any

university, college or educational institution chartered by the Commonwealth or the library of any public school or branch reading room, deposit station or agency operated in connection therewith, shall be confidential and shall not be made available to anyone except by a court order in a criminal proceeding.”

MATERIALS CHECKOUT

A library card should be presented for all checkouts. In the event a library card is not available, an ID may be substituted. The customer is to be informed that the library card should be presented for future checkouts. In the event the circulation system is down, a library card is required.

Customers must be informed at checkout of any overdue items or fines against their account. If the customer has at least \$25.00 in fines, he/she must pay the total fine amount before he/she may check out additional materials. All fines must be paid before a customer may check out a rental item.

If the “Block” message appears on a customer account, the transaction must be terminated. All problems with this account must be resolved before a transaction may take place. A customer will be blocked if he/she has:

- 100 items currently checked out; or
- at least \$100.00 in fines; or
- at least one overdue item that has gone to the billing stage

MATERIALS SELECTION (Chester County Library System-Wide Policy)

Vision

Chester County libraries are nationally recognized model welcoming centers of knowledge, inspiration and opportunity for all residents and contribute to healthy, safe and economically vibrant communities throughout Chester County.

Mission

The Chester County Library System strengthens and leverages the power of the public libraries in our community to ensure that every resident of Chester County has access to exceptional opportunities to read, learn, create, connect and contribute to a better quality of life.

Purpose

The purpose of the Chester County Library System Materials Selection Policy is to state clearly the principles that guide the selection of materials by Chester County Library System (CCLS) member libraries to ensure that the shared collection is responsive to the needs of the residents of Chester County.

Responsibilities

Each member library is responsible for developing its own Materials Selection Policy that is reviewed at least every two years. These policies will address at a minimum the following areas:

- Mission statement
- Statement of purpose

- Identify local service responses (See Library Service Levels below)
- Responsibility for selection
- Description of the selection process, including (but not limited to):
 - Criteria for selection (See Criteria for Selection below)
 - Formats
 - Patron requests (See Patron Requests below)

- Gifts
- Weeding
- Statement of concern

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

- Appendices:
 - 1st Amendment;
 - Library Bill of Rights;
 - Freedom to Read and
 - Freedom to View;
 - Copyright Policy

Materials Selection for resources that are acquired/licensed utilizing State (or other negotiated or shared funds) is performed by the Member Library Directors and Branch Managers (or their designees) and will consider the Criteria for Selection as are outlined below.

Library Service Levels

Member libraries are expected to choose the appropriate level based on the demographics and needs of their service area and the available resources.

1. **Popular materials center** offers materials in a variety of formats covering:

- a. Current topics and titles
- b. Career information
- c. Consumer information
- d. General information

2. **Local resources center** offers the types of materials offered in popular materials centers in a variety of formats and may also include the following materials:

- g. Business information
- h. Local history/genealogy
- i. Specialized fiction & nonfiction collections
- j. Reference collection serving local needs
- k. Adult Literacy services
- l. Information literacy
- m. Parenting collection

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

- o. Reference collections serving the County's information needs

- q. Adult & Children's Outreach Services & Collections
- r. Government information
- s. Funding Information
- t. Professional collection

The member libraries will collect balanced materials in a variety of formats in support of their stated library service level.

Formats

The CCLS looks to provide resources in a variety of formats. On occasion, member libraries will add materials in new formats and/or delete formats that have reached their obsolescence. Those decisions are made utilizing criteria outlined in each member library Materials Selection Policy. The shared catalog reflects the formats that are available.

Patron Requests

The CCLS looks to meet its patron's needs through sharing collections and services. Patrons may request titles not owned in the system by visiting their local library and filling out a request form, or by filling out the online Suggestion for Purchase form (<http://www.ccls.org/145/Request-an-Item>). While each library cannot guarantee to purchase all requested items, each request will be considered in conjunction with the library's material selection policy.

System members use Interlibrary Loan to satisfy patron requests for items that are not in the shared collection while abiding by the Interlibrary Loan code of PA. Patrons may request titles via Interlibrary Loan by visiting their local library, or by filling out the online Interlibrary Loan request form (<http://www.ccls.org/145/Request-an-Item>).

High Demand Items

High demand items are defined as materials with relatively few copies in relation to the number of patrons waiting to borrow them.

The CCLS strives to maintain wait times for high demand items to be no longer than 12 weeks, regardless of format (for example: holds ratios of 4

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

reserves : 1 copy for 3 week loan period items, 6 reserves :1 copy for 2 week loan period items, etc.)

Each member library is responsible for monitoring the wait times of items on hold and should purchase additional copies to fulfill this goal.

Criteria for Selection

The CCLS acquires and makes available shared materials to all System cardholders within its financial limitations. All collections are shared through the catalog and van service (unless specifically limited to designated locations).

The materials are selected:

- To satisfy the needs and interests of the residents
- To support the library service levels
- To present balanced points of view

Consideration is given to:

- Accuracy
- Attention of critics, reviewers, media and the public
- Authoritativeness
- Availability of funds
- Circulation of existing items by audience, genre, topic and format
- Cost and availability of resource
- Existing collections and holdings
- Suitability of format for library use and content
- Organization and ease of use
- Other regional resources
- Public interest
- Timeliness

Programming is an integral component of the library service. A “program” is a planned interaction between the library staff and the program participants. A program may occur in or out of the library, in person or by technological means by a staff member or other presenter and sponsored by the library.

Ultimate responsibility for programming at the Phoenixville Public Library rests with the Executive Director who administers under the authority of the Library Board of Trustees. The Executive Director delegates the authority of program management to the Director of Adult Services, the Director of Youth and Young Adult Services and staff members whose job descriptions include program responsibilities.

- Presentation quality
- Presenter background/qualifications in content area
- Budget
- Historical or educational significance
- Relation to Library collections, resources, exhibits and programs

Library programs are planned in advance. Program registration may be required for planning purposes or when space is limited. All library programs are open to the public. A fee may be charged for programs to help offset the cost of materials.

Organizations or individuals who present a program at the library are permitted to promote their product or services during their presentation, provided the promotion represents a very small portion of the presentation and is not the main focus. Authors who come to speak about their books or

ADDENDA

LIBRARY BILL OF RIGHTS

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services:

1. Books and other library resources should be provided for the interest, information, and enlightenment of the community the library services. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
2. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.
3. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
4. Libraries should cooperate with all persons and groups concerned with resisting abridgement of free expression and free access to ideas.
5. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.
6. Libraries which make exhibit spaces and meeting rooms available to the public they service should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use. *

Adopted June 18, 1948. Amended February 2, 1961, June 27, 1967 and January 23, 1980, by the ALA Council.

*Adopted by the Phoenixville Public Library Board of Trustees, November 11, 2002 "...to the extent that it is legal and consistent with CCL Policies."

FREEDOM TO VIEW STATEMENT

The freedom to view, along with the freedom to speak, to hear, and to read, is protected by the First Amendment to the Constitution of the United States. In a free society, there is no place for censorship of any medium of expression. Therefore, we affirm these principles:

1. It is in the public interest to provide the broadest possible access to films and other audiovisual materials because they have proven to be among the most effective means for the communication of ideas. Liberty of circulation is essential to insure the constitutional guarantee of freedom of expression.
2. It is in the public interest to provide for our audiences, films and other audiovisual materials which represent a diversity of views and expression. Selection of a work does not constitute or imply agreement with or approval of the content.
3. It is our professional responsibility to resist the constraint of labeling or prejudging a film on the basis of the moral, religious, or political beliefs of the producer or filmmaker or on the basis of controversial content.
4. It is our professional responsibility to contest vigorously, by all lawful means, every encroachment upon the public's freedom to view.

This statement was originally drafted by the Educational Film Library Association's Freedom to View Committee and was adopted by the EFLA Board of Directors in February 1979.

**ACCESS FOR CHILDREN AND YOUNG PEOPLE
TO VIDEOTAPES AND OTHER NONPRINT FORMATS**

An Interpretation of the **LIBRARY BILL OF RIGHTS**

Library collections of videotapes, motion pictures, and other non-print formats raise a number of intellectual freedom issues, especially regarding minors.

The interests of young people, like those of adults, are not limited by subject, theme or level of sophistication. Librarians have a responsibility to ensure young people have access to materials and services that reflect diversity sufficient to meet their needs.

To guide librarians and others in resolving these issues, the American Library Association provides the following guidelines.

The LIBRARY BILL OF RIGHTS says, “A person’s right to use a library should not be denied or abridged because of origin, age, background, or views.”

ALA’S FREE ACCESS TO LIBRARIES FOR MINORS: An Interpretation of the LIBRARY BILL OF RIGHTS states:

The “right to use a library” includes use of, and access to, all library materials and services. Thus, practices which allow adults to use some services and materials which are denied to minors abridge use based on age.

...It is the parents – and only the parents – who may restrict their children – and only their children – from access to library materials and services. People who would rather their children did not have access to certain materials should so advise their children. The library and its staff are responsible for providing equal access to library materials and services for all library users.

Policies which set minimum age limits for access to videotapes and/or other audiovisual materials and equipment, with or without parental permission, abridge library use for minors. Further, age limits based on the cost of the

PHOENIXVILLE PUBLIC LIBRARY POLICY MANUAL

materials are unacceptable. Unless directly and specifically prohibited by law from circulating certain motion pictures and video productions to minors, librarians should apply the same standards to circulation of these materials as are applied to books and other materials.

Recognizing that libraries cannot act *in loco parentis*, ALA acknowledges and supports the exercise by parents of their responsibility to guide their own children's reading and viewing. Published reviews of films and videotapes and/or reference works which provide information about the content, subject matter, and recommended audiences can be made available in conjunction with non-print collections to assist parents in guiding their children without implicating the library in censorship. This material may include information provided by video producers and distributors, promotional material on videotape packaging, and Motion Picture Association of America (MPAA) ratings if they are included on the tape or in the packaging by the original publisher and/or if they appear in review sources or reference works included in the library's collection. Marking out or removing ratings information from videotape packages constitutes expurgation or censorship.

MPAA and other rating services are private advisory codes and have no legal standing*. For the library to add such ratings to the materials if they are not already there, to post a list of such ratings with a collection, or to attempt to enforce such ratings through circulation policies or other procedures constitutes labeling, "an attempt to prejudice attitudes" about the material, and is unacceptable. The application of locally generated ratings schemes intended to provide content warnings to library users is also inconsistent with the LIBRARY BILL OF RIGHTS.

*Adopted June 28, 1989, by ALA Council.
